

OUR REGIONAL IMPACT 2025

LONDON

For more than 80 years, Landsec has shaped places that stand the test of time. Rebuilding places damaged by war, transforming urban areas into thriving community hubs, and enhancing quality of life for the people who live, work in or visit our UK-wide places. We create value not just for our business, but for all those connected to it. London is where our business first began, and ever since we've been shaping places for more than 80 years. Today, the full breadth of our business can be seen across the capital, from retail destinations and high streets to workplaces, development opportunities and mixed-use neighbourhoods.

Our places stretch across London, serving communities that are as varied as the city itself, from Hampstead in the north to Lewisham in the south. We drive an active role in the life of the capital, operating landmarks such as Piccadilly Lights, managing workplaces used by thousands of people every day, and creating new places that help shape London's future.

All this is underlined by our significant contribution to both economic and social value growth across the capital.

LONG-TERM INVESTMENT, WE
SUPPORT JOBS, COMMUNITIES,

CULTURE - BOTH WORK AND PLAY.**
